REMARKS/ARGUMENTS

Claim 3, which was previously amended, is the only remaining claim in this application. Claims 1, 4 and 5 were previously canceled. Claims 2, 6 and 7 are now being canceled.

With the cancellation of Claims 2, 6 and 7, it is now believed that this application is in condition for formal allowance with Claim 3 being the only allowed claim.

In view of the foregoing amendments to the claims and arguments presented herein, it is believed that the claims as now submitted clearly define allowable subject matter over the references of record. It is courteously requested that this application be reconsidered, such reconsideration being favorable resulting in passing of this application to issue.

The Commissioner is hereby authorized to charge any additional fees which may be required, or credit any overpayment to account No. 13-4899.

Respectfully submitted,
